

## HES

- An high quality stand-on electric stacker with rated capacity from 1500kg to 2000kg and lifting height from 1600 to 3500mm which can meet customers' requirement for goods stacking. The long-tiller design makes the operator comfortable and safer during operation.
- Mast made of high-strength 3019#forklift section steel

- 2 pumps design ensure stability when heavily loading
- 24V210AH lead-acid batteries, ensure 6-8 hours working time.
- 24V1.5KW AC vertical driving motor
- 24V2.5KW lifting motor
- Electric power steering (EPS) to increase operating function
- High quality controller with multi automatic protection to ensure stable operation
- Handle with Emergency reversing device/emergency brake switch
